

## WELCOME WORDS TO WOMEN.

From the view point of the average man housework is very easy. The wife is right at home. She is her own mistress. She can sit down and rest any time. She can even go to bed for a nap if she feels like it. She can order her household affairs just to suit her own convenience. If she doesn't feel equal to doing work to-day, she can do it to-morrow. That's the beautiful theory of the average man.

Just suppose the Egyptian task-masters, when they made the required daily tale of bricks tax the uttermost of human strength, had said to the toiling slaves, "Don't hurry, take a rest every now and then—only don't forget that your tale of bricks must be all right at night or else there'll be trouble."

There's the fact. There are the day's duties to be got through, and the women who can rest may not. The woman who, when she married, said, "Now, I'll be my own mistress," finds herself a slave to household cares and duties.

And oh! how much that woman needs rest sometimes. She brushes and scrubs, and rolls pastry, her temples throbbing, her back aching, her nerves quivering under the stress of pain. What she would give if she could just creep upstairs and throw herself on the bed in a darkened room and rest.

Rest would temporarily relieve the strain, doubtless, but it would be the same story over again to-morrow. The real need of weak, nervous women is strength, and that need is fully met and satisfied by Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. It removes the causes of women's weakness, tranquilizes and invigorates the nerves, encourages the appetite and induces restful sleep. "Favorite Prescription" is a far more complicated and elaborate cause of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions and irregularities, prolapses or falling of the womb, weak back, "female weakness," nervousness, restlessness, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness of the ovaries, accompanied with "internal heat."

"I am pleased to add my testimony in behalf of Dr. Pierce's Favorite Prescription," writes Miss Earline Agard, Chaplain, Patriotic Daughters of America, of 4135 Michigan Avenue, Lansing, Mich. "I cannot find language to express my gratitude and joy over the fact that I am well once more. Wearing my corsets too tight seemed to have brought on an extra abdominal pressure, weakening the ligaments and pushing the internal organs down. What to do I knew not, as no medicines I took seemed to help me. "I had heard of Dr. Pierce's Favorite Prescription and determined to try it, as a last resort. Before the first bottle was used I began to feel better, but could hardly believe that this was permanent, but my improvement went steadily on, and within four months I was like a new woman. Now I have no more pains, am well and strong, and am extremely grateful to you."

There is nothing to conceal about the make-up of "FAVORITE PRESCRIPTION." It is an absolutely pure medicine—made of native roots—Nature's own restoratives, compounded after a formula concerning which there can be no question, by skilled chemists and by thoroughly scientific processes. Doctor Pierce is perfectly willing to let every one know that his "FAVORITE PRESCRIPTION" contains Blue Cohosh root, Lady's Slipper root, Unicorn root, Black Cohosh root and Golden Seal root. Every doctor knows that such a prescription is beneficial in the diseases of women and when properly compounded is certain to effect a cure in nearly all cases when given a fair trial. Every doctor knows that such a prescription which leaves Dr. Pierce's immense laboratories in Buffalo, N. Y., has plainly printed upon its wrapper all the ingredients of which it is composed. Thus Dr. Pierce proves to the world his own confidence in the remedy which for forty years has borne his name and which is known all through the United States and Canada, England, Australia, and in parts of South America, Africa and Asia, as a sovereign cure for those diseases which, unchecked, make our women old before their time.

It will be noticed that there is no alcohol in the "FAVORITE PRESCRIPTION." Dr. Pierce never believed in using alcohol in the preparation of his famous household remedies. For it, he substitutes chemically pure glycerine, which has wonderful properties for extracting the medicinal principles of roots and preserving them at their full strength, without any deleterious effect whatever.

In favor of Dr. Pierce's medicines is the frank, candid, open, honest statement of their full composition, giving every ingredient in plain English, without fear of successful criticism and with confidence that the good sense of the afflicted will lead them to appreciate this honorable manner of confiding to them what they are taking into their stomachs when making use of these medicines.

Dr. Pierce feels that he can afford to take the afflicted into his full confidence and lay all the ingredients of his medicines freely before them because these ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers of all the several schools of practice as cures for the diseases for which these medicines are recommended.

Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alternative, blood purifier and stomach tonic, the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.

It is as easy to be "well as ill—and be more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Pleasant Pellets cure constipation. They are tiny, sugar-coated granules. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in medicines sell them. ## AFTER THE ANARCHISTS

Seven of the Most Notorious Are Immediately to Be Deported by the United States Government

Washington, May 23.—Warrants for the arrest of seven noted anarchists are soon to be issued in Baltimore, looking toward the immediate deportation of the men to Italy.

Commissioner General Sargent of the bureau of immigration was in Baltimore yesterday in consultation with the authorities. For some time the Baltimore authorities have been on the lookout for the anarchists, scores of whom have flocked to America within the past six months. Baltimore it appears was made the headquarters of these persons who, it is believed, are planning to hold an international congress in America this summer.

## RENT PAYS FOR LAND

Fertile Sections of the Southwest. Where Lands Sell for \$15 and Rents for \$5 an Acre

One of the remarkable things about Eastern Arkansas and Northern Louisiana is the fact that cleared land rents for \$5 per acre cash, and can be bought for \$7.50 to \$15 per acre. Other improvements necessary are slight and inexpensive.

The soil is rich alluvial, or made. It produces a bale of cotton per acre, worth \$45 to \$60. This accounts for its high rental value. Other crops, such as corn, small grains, grasses, vegetables and fruits thrive as well. Alfalfa yields 4 to 6 cuttings, a ton to a cutting, and brings \$10 to \$16 per ton.

In other sections of these states and in Texas as well, the rolling or hill land is specially adapted to stock raising and fruit growing. Land is very cheap, \$5 to \$10 per acre; improved farms, \$10, \$15 to \$25, per acre.

The new White River country offers many opportunities to settlers. High, rolling, fine water—It is naturally adapted to stock and fruit raising. Can be bought as low as \$6 per acre. See this great country for yourself and pick out a location. Descriptive literature, with maps, free on request. Missouri Pacific-Iron Mountain System Lines sell round-trip tickets on first and third Tuesdays of each month to points in the West and Southwest, good returning 21 days, with stop-overs. For descriptive literature, maps, time tables, etc., write to L. E. Rehlander, traveling passenger agent, Chattanooga, Tenn., or H. C. Townsend, general passenger and ticket agent, St. Louis, Mo.

## RANEE ON A RAMPAGE

A Big Circus Elephant Held Up a Train and Fatally Wounded a Man

Indianapolis, May 23.—Ranee, the biggest elephant with the Robinson circus, held up the train on which she was traveling at Belfast, south of Michigan City, last night for half an hour, and fatally injured a man on the railroad platform who was watching her antics.

The big elephant was in the car next to the engine, and just as the train drew up at Belfast she filled her trunk with water from the engine tank, dashed the engine and fireman, and drove them from the cab. Every time they tried to return the elephant threw a stream of water over them.

Charles Williamson, a resident of Belfast, was standing on the station platform when Ranee suddenly turned a trunk full of water on him. He was knocked from the platform and rolled down an embankment and was picked up unconscious. Three ribs were broken, and one of them it was thought, had been driven into the stomach.

No one dared go near the car, and Ranee held the engineer and fireman off until she had practically drained the tank.—New York Sun.
